Dear Reader,

Here at Strathisla Riding Club we are taking a number of steps to boost our public profile, one part of this is to issue monthly newsletters to all our patrons.

Here you will find important information from British Riding Club (BRC), results from our recently held events along with upcoming events for the following month.

SRC

EGM and Committee elections

November saw us faced with the unfavorable situation of holding an EGM following an unexpectedly low attended AGM where there weren't enough attendees to hold the Committee elections.

Thankfully many of Strathisla's stakeholders rallied round advertising the club's situation and made the EGM a productive meeting showing the local equestrian communities dedication to the club.

We have succeeded in electing the required numbers of Committee, details these individuals can be found on our website.

Plans for the coming year

We will be kicking off the year with a family friendly day of bowling with a basket supper. This will be open to all members of your families not just the horsey ones.

After this we will be holding off-horse events along with regular monthly flatwork and jumping training days.

Back by popular demand we will again hold our regular Instructional Dressage events where you ride a test, have it judged and marked, then have a short lesson on how to improve your score.

Upcoming Events

Saturday 19th January 2019

Bowling & basket supper at Pinz, Elgin

Saturday 9th February 2019

Tara Forest Clinic with table top sale, Top Spec rep & guest BHS rep

Important Announcement

As a fundamentally 'grass-roots' club we strive to meet the diverse needs of our members by providing a wide range of events and developing a strong foundation for horse and rider.

We are a club promoting knowledge, enjoyment and fun, for those interested in equestrian sport. We value a culture of safety through continued education and learning.
