Dear Reader,

Here at Strathisla Riding Club we are taking a number of steps to boost our public profile, one part of this is to issue monthly newsletters to all our patrons.

Here you will find important information from British Riding Club (BRC), results from our recently held events along with upcoming events for the following month.

January Events

January saw us kick off the new competition season with a "strike"!

On the 19th we had a good turnout of 20 folk to the bowling and basket night, consisting of members and non-members; regular faces and some lovely new faces too.

There were lots of prizes won, one even winning the wooden spoon and the award for highest scoring team! Everyone had a great time and made new friends along the way.

We hope that this has set the precedent for the rest of the season

and we have been able to promote the inclusive and friendly image we are so actively working to achieve.

Important Announcement

As a fundamentally 'grass-roots' club we strive to meet the diverse needs of our members by providing a wide range of events and developing a strong foundation for horse and rider.

We are a club promoting knowledge, enjoyment and fun, for those interested in equestrian sport. We value a culture of safety through continued education and learning.

2018/2019 Opening Event

Next Events

On the 9th of February we are holding an off-horse event in the Scout Hall in Keith which will include having a 1:1 assessment, treatment and exercise programme 50 min session with the well renowned Tara Forrest from Perform Chartered Physio.

In conjunction with this clinic we are running a table top tack sale - a great way to recoup some funds after Christmas or find some bargains. Tables are only £8 but we are really limited on the number of tables we can accommodate so get your details in quick!

Last but not least we will also have representatives from both British Dressage and British Showjumping so come along and get your questions answered from the people who know.

What a day this is set to be!

You can find the entry form for the Clinic at <http://www.strathislariding.co.uk/docs/18-19/tarafeb.pdf> For tables check out our Facebook page

IMPORTANT INFORMATION

Commencing in March we will be introducing a loyalty scheme where attendants will be issued with a loyalty card and at each event it will get stamped. Once 3 training sessions have been stamped you will receive a free competition membership!
